Framing by Mark Koleber, Water Supply Director, City of Thornton  
Work Group Dialogue
- 12:15—1:00 Lunch
- 1:00—2:30 Work Group Dialogue:
  - Where do we go from here?
  - What about the other many good ideas we generated?
  - How will we write our report to the community? How will we decide what it should contain? Who will it be aimed at? How do we roll it out?
  - Community wide meeting June 1 as initially planned, or roll-out to group of communities' leaders first?
  - Group continuation? In what form? June 1 jumping off point for some?
  - How to involve other groups working on Poudre issues?
- 2:30—4:00 Field Trip: Poudre Trail from Lee Martinez Park parking lot  
Lake Canal Diversion  
Coy Diversion  
City of Fort Collins "Downtown Core Area"  
Boris Kondratieff, Professor of Entomology, CSU—*Bugs on the Poudre*
- 4:00 Odell Brewing Company Get Together—Thanks Wynne!
